

CoreCheck: Take Control of Your Health

Your Wellness Program Just Got Stronger

Your employer is now offering CoreCheck, a self-administered blood test designed to give you clear, actionable insights into your health. This is your opportunity to stay ahead of potential health issues and make informed choices about your well-being.

Why Use CoreCheck?

- ✓ **Early Health Detection** – Spot potential issues before they become serious.
- ✓ **Personalized Health Insights** – Understand your body's needs.
- ✓ **Convenient & Hassle-Free** – No doctor visits, no waiting rooms.
- ✓ **Confidential & Secure** – Your results are private and available digitally.

How It Works

- 1 **Receive Your Kit** – A simple blood test kit is sent directly to you.
- 2 **Collect Your Sample** – Follow step-by-step instructions to complete the test.
- 3 **Send It Back** – Use the prepaid package to return your sample.
- 4 **Get Your Results** – Securely access your detailed health insights.
- 5 **Take Action** – Use your results to make smarter health decisions.
